VISA

All participants who need an entry visa to the Netherlands, are kindly requested to fill in the **Visa Support Form below** and return completed to the Organizing Committee, as soon as possible, but not later than 25 April 2015.

After the Organizing Committee has received the Visa Support Form, an official invitation from the Archery Association of the Netherlands will be provided for visa application. Participants should obtain their visas before departure to the Netherlands.

NOTE: Please read the Visa Information for Foreigners for applying a Dutch visa. Please make your visa application in person and **at least two months before** traveling to the Netherlands to avoid any difficulties.

Explanations:

- The term “official passport” covers diplomatic, service, special and official passports.
- Passports should be valid at least 90 days longer than the expiry date of the requested visa.
- Despite the visa regime applied towards the citizens of a country, the travel document holders of that country need to obtain a visa from Dutch missions beforehand.
- All foreigner visitors to the Netherlands, except for those exempt from the visa requirements, should obtain their visas at the Dutch consulate.
