EMAU CONGRESS – JAEN 2006 – MOTION FOR LAW

Submitted by: Archers Association of Slovenia – 10 December 2005

Text of the motion:
Add/change in 1.6.13:

The **committee of 5 members** are elected at the Team Captains Meeting during the European Junior Championships or the final leg of Junior Cup **from among the nominations received from Member Associations. The elected members will be ratified by the EMAU Council. The President of EMAU will appoint the Chairman of the Committee from those elected members.** The primary objective of the Committee is to oversee the European Junior Cup and Junior Championships in such way to encourage cadets and juniors to prepare for international competition.

Reason:

1. To ensure proper representation of those coaches or team captains who are really working with juniors. All of them are appointed by their Federations.
2. To have more possibility to elect a new member in case when he/she becomes non active in the committee or with juniors in his/her member association.

Irena Rosa
President of AA of Slovenia
