

Report from Trudy Medwed FITA 3D Coordinator – EMAU Chairman of the 3D/Field Committee.

3D

Extract from report for Councilmeetings of EMAU and FITA

The 1st 3D European Championships in 3D in Punta Umbria which were the first Championships after the Rules-Changes, have proved that basically the shooting rules are correct, however, the bow descriptions must be studied once again and here again intensively Instinctive Bow and lesser Longbow and more precise descriptions must be given in the rules.

In the meantime I entered the changes discussed in the EMAU 3D/Field Committee discussions and feedback from athletes and coaches, into the existing 3D Rules (including as comparison some IFAA and IBO-Rules) and at present the 3D EMAU Committee is studying changes in the bow-descriptions, as well as adaptations in other parts, which needs more specific description.

The participation in the first EC 3D was not too bad (see attachment). There are apparently, however, some (EMAU) Member Associations (I do not know about other parts of the world), who do not allow
