- Junior Development Committee

The system of the elections of the Junior Development Committee will change in the next EMAU Congress. In fact after the last Congress decision to have a Judges and a DTAC Committees whose members will be elected by the Congress, the Council decided to prepare a motion for the next Congress to elect also the members of the Junior Committee. In this way all the EMAU Committees will be elected by the Congress.

This year, according to the existing rules, the elections could be held during the Open Team Captains annual meeting in Silkeborg (Denmark) on 19 August. During the meeting the participants will decide if they want to have an election there or if they want to have an election directly next year during the EMAU Congress.

In any way, if you wish to candidate one of your coach as member of the JDC, please, send the candidature to the EMAU Secretariat (Via Vitorchiano 70, 00189 Roma – e-mail: media@fitarco-italia.org) before 31st July 2005. The candidates should be the coaches or team captain who are really working with cadets and/or juniors and are almost always in Junior Cup tournaments.

Best regards

Secretary General
