

Terms of reference for the EMAU Continental Judges

The general organisation of judges for international and continental archery events is laid out in Appendix 4 of the FITA Constitution and Rules.

Specific aspects concerning the EMAU Continental Judges are listed hereafter.

1. A Judge Committee is constituted as laid out in the EMAU Constitution. Members of the committee should preferably be EMAU Continental Judges.
 - Its task is to train and develop judging at EMAU level. It will organise seminars and exams to promote national judges to the status of Continental Judge.
 - The Judge Committee will establish and run the procedures for the re-accréditation of Continental Judges.
 - The Judge Committee will call for applications to serve as judge at the yearly EMAU events and recommend the members of the relevant judge commissions to Council.
 - The Judge Committee will work in close cooperation with the FITA Judge Committee in matters of common interest.

2. To become Continental Judge, a candidate has to attend a seminar and pass successfully the relevant exam.
 - To be eligible to participate at the seminar, the candidate must have accomplished the age of 18 years.
 - To be eligible to participate at the seminar, the candidate must have been accredited as National Judge for a minimum of 2 years. The language of the seminar and exam is English.
 - An application for candidate must be submitted by the Member Association of the applicant.
 - No EMAU member association may have accredited more than 9 Continental Judges (including FITA International Judges and International Judge Candidates) with a minimum of 3 female judges.

3. EMAU Continental Judges without FITA International Judge or International Judge Candidate status will have to undergo the re-accreditation process, which will be organised on a 4 years term, in the same year as takes place the FITA re-accreditation process.
 - To be able to be re-accredited Continental Judge, the applicants must be supported by their National Association.
 - FITA International Judges or International Judge Candidates who fail the FITA re-accreditation process will loose their status as EMAU Continental Judge and in order to become an EMAU Continental Judge again have to attend a seminar and pass the relevant exam.
 - FITA International Judges or International Judge Candidates who loose their status because of age limit or who have retired within the accreditation period, remain Continental Judge up to the next EMAU re-accreditation process.

4. EMAU Continental Judges are eligible to submit their application to serve as judge at EMAU events.
 - The Judge Committee submits the proposal of the judge commission chairperson and the members to Council for approval.
 - In principle no more than one judge from the same EMAU Member Association should be appointed at the same commission.
 - The chairperson of the judge commission submits within a reasonable delay a report of the event and the assessment forms to the Judge Committee.
