**Object: Number of participants in Grand Prix**

Dear Friends,

As you know the EMAU Council, during the last meeting held on 22<sup>nd</sup> November in Rome, modified the Grand Prix Rules. The most important change concerns the art. 4 - Participation.

The change states that, from 1<sup>st</sup> January 2009, each Member Association may participate in the Grand Prix competitions with a maximum of 6 men and 6 women per Division. The host country may enter a maximum of 8 men and 8 women per division.

Nevertheless, this rule will not be applied for the Grand Prix in Antalya (2-7 June 2009), because it is both a Grand Prix and World Cup competition. For such a reason, we have to respect the FITA Rules, stating that the maximum number of participants is 4, including the host country.

Meantime, I wish you a Merry Xmas and a happy new year 2009 full of joy and success.

Marinella Piscioti  
Secretary General
