SRT TARGETS
3d and targets made in Italy

Athlete Numbers

- Athlete numbers will be issued on the day of the qualification round during practice.
- Athlete numbers must be worn on the quiver or thigh, facing the waiting line while shooting.

3.5. Targets and scoring zones

- All pictures of animal targets are published on the website and in each target on the course. Animal targets are shown in practice field.
- The border lines will be explained by CoJ during TC meeting.

3.6. Qualification Round & Information on scoring

- Maps are available in competition programme (received during Accreditation).
- There are 2 courses prepared for two qualification rounds. All qualification rounds are set up on either side of Pirita Terviserajad. There will be bus transport provided to and from the location of qualification rounds. Buses will leave from Pirita Spordikeskus- Velodrome. Timing will be announced at team Captains meeting.
- The target assignment will be handed out on the day of the official practice. Regrouping of archers for the 2nd qualification round and new start list will be prepared.
- There will be a separate location where spare equipment, bow cases and other equipment can be stored (under control) during the competition. The athlete's number must be worn on the archer's quiver or the thigh.

3.6.1

- There will be two paper score sheet per archer, which must be filled in by the athletes themselves. All the athletes in the same group must verify that the correct scores are entered. The copy of the score sheet will be given to all TC's and the scoring will be explained (the 1st target is to be filled into the 1st line).
- Please instruct your athletes to correctly fill in the scorecards including total score, number of 10's and number of 11's and sign the cards before handing them back after each round. All score cards of one group have to be returned together by one person for whole group.
- In case of tied score on positions 16 (8, 4), a shoot-off will be arranged. Neutral targets will be used.

4. Technical Matters (TD + Chairman of Judges)

4.1 Rules that apply in this event

Fair Play

No range finders (both athletes and officials) on official practice (judges have checked also the practice distances) or competition areas, no cell phones or cameras on courses.

English is the language we use when talking to our athletes when competing, and Yes, no, good and bad is all word allowed to use.

Longbow, ILF-limbs are not allowed, see text on WA Newsletter on website.

Flow on field

A group can pass another group if for some reason the team at the target is waiting for a technical fix or medical problem if a judge allows this.

Warnings

Three written warnings will be given due to time delay on the third warning the archer shall lose his/her highest scoring arrow. Warnings shall not be carried over from stage to stage.

Officials and archers on course

No officials are allowed on the course, before or during competition outside of public areas. (That also includes archer before competition). In case of a technical problem or the need of medical attention the group shall contact a judge who will refer the problem to the chairman of the judge commission who will seek out the team captain in order to care of the problem – therefore it is very important for the team captains or representative to remain in the central area.
