Re : Grand Prix in Marathon – New final entries deadline!

Dear President,

I would like to inform you that, in agreement with the Organizers of the European Grand Prix in Marathon, WAE has decided to postpone the **Final Entries (WAREOS) until 10 March 2015**.

That competition is also valid as last qualifying event for the 1st European Games, hence it is scheduled very early in the calendar. At that time some countries might have not defined yet the archers to be entered.

For the mentioned reasons, we decided to postpone the Preliminary and Final entry deadlines in order to let our MAs have more time to define the participating archers.

Best regards
