Dear Presidents and/or Secretaries General,

WAE is preparing a special training course of Coach Trainers in Salzburg (Austria). The course is a 2 years Continental Training open to all European Archery Federations.

The principle of this project is:

- *for 2018: to train European archery Coaches with a good experience at level 2, how to train level 1 archery Coaches. The prior level 2 coaching education can have been delivered by any archery organization under the umbrella of World Archery.
- *for 2019: to train European Level 1 Coach Trainers with a good experience how to train level 2 archery Coaches.

In both cases, the Coach Trainer Candidates should be registered by their own National Archery Federations and commit to serve as Coach Trainer in their country and abroad. The participants' registration is examined and evaluated by the Expert before the acceptance of their eligibility.

This project is strongly supported by World Archery, because it will contribute to:

- Increase the number of opportunities of being educated as archery coach, since each new archery Coach Trainer will train new archery coaches in his/her country and even abroad.
- Increase the number of new certified archery coaches through more training opportunities.
- Increase the pool of potential Coach Trainers. As you probably know there are quite few at the moment.
- Reduce the cost, by using a Coach Trainers living nearby.
- Generate International exchanges on how to train archery coaches.
- Allow the local course to be conducted in the mother language of the participants.
- Facilitate the cultural understanding between the Coach Trainers and the participants and by consequence provide efficient training.

The WAE, WA and Olympic Solidarity encourage all European Archery Federations to register at least one participant to this special training of Level 1 (Archery Coach Trainers) that is scheduled to be organized by the Austrian Archery Federation in Salzburg, for 11 days, between 18-28 June 2018. Participants arrival on 17 June and departure on 29 June 2018.

The Level 2 Coach Trainer course is scheduled to be organized by the Austrian Archery Federation, for 7 days in 2019 (tbc), for the WA certified Level 1 Coach Trainers.

Here are some details on this exciting project:
