1. Submitted by:	Archers Association of Slovenia
2. In Quality of: <i>Please tick one</i>	WAE President <input type="checkbox"/> Executive Board <input type="checkbox"/> Permanent Committee <input type="checkbox"/> Member Association <input checked="" type="checkbox"/>
3. Date Submitted to WAE :	16 July 2018
4. Concerns : <i>Please indicate Motion No.</i>	Motion N.: 2 Article N.: New article 2.6.2.1
5. Text of the amendment	<ol style="list-style-type: none"> 1. Travel cost to WAE Judges appointed to WAE tournaments should be paid by the judge's own MA. 2. If point 1 is not accepted, than the sentence written in reason "Tickets can be booked by both the Organizers and the concerned Judges" should be included into the text of the original motion. 3. Also the max. of 350 euro should be discussed and maybe raised to max. Of 400 euro to give the same opportunities to all judges from Europe.
6. Reason	<ol style="list-style-type: none"> 1. For every MA (organizer of WAE Tournament) it is easier to pay travel cost for their own WAE judges appointed to yearly WAE tournaments than to pay the travel cost to all judges appointed to hosted WAE tournament. For e.g. the travel cost for coming judges to Youth Cup tournament would be 1.750 euro, for WAE Target Championships would be 3.150 euro, for WAE Field or 3D Championships would be 3.500 euro. Probably no MA hosting the WAE event would have

more expenses for their WAE judges covering their travel to go abroad.

2. The proposed motion would probably reduce the number of bids to host the WAE events in future and would make to certain MAs even more difficult to organize the WAE event.

However, the WAE judges appointed to the WAE Tournaments should have their travel costs covered:

- or by their MA

- or by the Organizers of that WAE Tournament organization.

Judges are volunteers and servants of the competition who are offering their knowledge, work and time to provide consistency in judging worldwide, maintaining fairness of the competition, and ensuring that shooting procedures will be the same throughout the world. They are offering their time out of their holidays and it is not fair that they have also to pay the travel for the success of the events.
