

MEDICAL LIAISON REPORT

IN THESE LAST YEARS, WE HAVE BEEN SEEING A GLOBAL CHANGE IN OUR DAILY HABITS AND ALL WORLD SPORTS HAVE SUFFERED THE CONSEQUENCES OF WHAT WAS DEFINED AS THE GREATEST HUMANITARIAN DISASTER OF THE LAST CENTURY.

WE REFER TO THE PANDEMIC THAT HAS HAPPENED ALL CONTINENTS SINCE 2019. THE CORONA VIRUS SARS COVID-19

DURING 2020, NOT ALL THE RACES INCLUDED IN THE INTERNATIONAL CALENDAR WERE COULD RUN REGULARLY AND THEREFORE THE PROGRAMMED CHECKS WERE NOT BEEN CARRIED OUT

IN THE COURSE OF THE YEAR 2021 THE RACES REMAINED ON THE CALENDAR WERE FURTHER REDUCED AND THEREFORE ALSO THE CALENDAR OF DOPING CHECKS HAS SUCHED THE SAME FATE

THIS AMENDMENT DID NOT TOTALLY COMPROMISE THE MONITORING ACTIVITY THAT RESTARTED IN THE YEAR 2022 DURING THE EVENTS WHICH ARE UNDERTAKEN IN VARIOUS PARTS OF EUROPE

AS ALREADY HAPPENED LAST YEAR, THE HOPE FOR THE FUTURE IS IN THE AVAILABILITY OF NEW THERAPEUTIC DEVICES THAT REDUCE THE IMPACT OF THIS VIRUS AMONG ALL ATHLETES AND ALLOW THEM TO PRESENT ON THE RACE COURSES.

WE ARE SURE THAT ALL PARTICIPANTS HAVE UNDERSTAND THE DELICATE MOMENT THAT YOU ARE GOING THROUGH, AGAIN WITH INTELLIGENCE DEMONSTRATING THEIR TOTAL AVAILABILITY TO THE DOCTORS IN CHARGE OF WITHDRAWAL

EVERY EFFORT WILL BE MADE TO ENSURE THE PRESENCE OF THE CHECKS IN THE RACES ON THE CALENDAR TO BE ABLE TO RETURN TO NORMALITY ALSO IN THIS SECTOR AND CREATE THE LESS POSSIBLE DISCOMFORT FOR ALL THE PEOPLE INVOLVED
