4. Constitution and Rules - Article	1.7.12 Election of members to permanent committees shall be organized as follows: Election of 2 members during the congress at the Olympic year, election of 1 person during congress at the Non-Olympic year.
5. Text of the motion	Insert: subject to the following limitations: The individual elected or appointed as a member of a permanent committee may serve a maximum of three full terms in the same position. Outgoing officer can be a candidate for a different position Transition procedure This update to rule 1.7.12 will not be applied in 2022-2024 elections, but will be in full effect in 2026 elections.

6. Reason	The governance level in the sporting world is rising rapidly and World Archery Europe should meet general good governance principles. Fixing a term of limit is good practice aimed at making the organization more dynamic because it involves people alternation after a period of time. The limit is three terms in the same position, meaning no more than 12 years.
