Mr Mario Scarzella
President
World Archery Europe

Dear Mr Scarzella,

Re: 6th Aphrodite Mediterranean Archery and Para – Archery Cup 2022 in Cyprus

It is with great pleasure that we announce the 6th Aphrodite Mediterranean Archery and Para- Archery Cup 2022 that will be held in Pyla - Larnaca - Cyprus between 2 November to 6 November 2022 for all disciplines.

As the vision of WAE is to inspire people to get involved in archery and focuses on giving the possibility to everyone in Europe to enjoy archery by promoting it in the European countries, as well as the Olympic and Paralympic ideals and principles, we would like to invite the WAE Board of Directors to arrange one of their meetings in Cyprus, thus suggesting you the beginning of November 2022. Following the meeting, it will be a great honor to have you all at the above event. Accommodation, transport, conference rooms, meals, coffee breaks etc. will be offered on a complimentary basis.

During the past years it attracted athletes from many European countries.

Moreover, we would kindly ask you to add the event on the WAE calendar so that we can fascinate athletes from more European countries.

As you know, Cyprus Archery Federation has created 3 archery fields and 2 are under construction, where archers can prepare themselves and get ready for the competitions. Cyprus is the third largest island in the Mediterranean and it is strategically situated between three continents, Asia, Europe and Africa. The excellent infrastructure, the safe environment and ideal climate with almost year-round sunshine, make it an excellent place for athletes' preparation.
