

SEMINAR - 07-09 October 2022

Nové Mesto Nad Metují (CZE)

Dear Members Associations.

In the last couple of years, World Archery Europe has decided to support the development of Run-Archery.

The online webinars we proposed in spring 2022, have been successful with attenders from more than 40 countries around the world, 26 from Europe.

World Archery Europe is glad to invite World Archery Member Associations to participate to the first in-situ seminar about Run-Archery.

To get better benefits of this seminar, it is built around 3 aspects :

LEARNING	SHARING	EXPERIENCE
 <p>Courses on : Venue set-up Volunteers & officials Timing Scoring Managing Results Training - Coaching</p>	 <p>Workshops on : Judging Scoring Dealing with protests Spotting Training - Coaching</p>	 <p>Active roles on the field : Spotter Race officials Judge (observer) Timing Scoring Participant (<i>optional</i>)</p>

The seminar will be linked to the Run-Archery European Cup.

PROVISIONAL SCHEDULE :

Note : The schedule may be changed according to the presenters' availability.

Friday 07 October	14:30	Introduction
	15:00	Venue visit
	15:30	Workshop 1 : Organization & Judging Field exp. : Spotters education

The seminar is open to people who have a license in a World Archery Member Association.
Entering the license number on the entry form is a mandatory to enable any checks.

The schedule is built to enable :

- People who are not register for the competition
- People who are coming for the competition as archer or coach.

In this way, the field experience will be done during the races which they don't attend as an archer/a coach
(for example women races for men, or relay races for individuals)

Participation / Registration

Participation is reserved for people licensed for the current season in a national federation which is member of WORLD ARCHERY .

Entering the license number on the entry form is a mandatory to enable any checks.
