3. Date Submitted to WAE Office :	11 February 2026
4. Constitution and Rules - Article	WAE Constitution – Appendix 3 – point 3
5. Text of the motion	Add a new bullet point "Continental Judges need to make themselves available for at least two Judging duties where the Judges Committee is responsible for appointing Judges in each reaccreditation period (every 4 years). Dispensation can be given in certain cases if a Judge is unable to fulfil this, for example due to family commitments (such as having children), illness, education pressures or work changes. Judges should ask for dispensation at reaccreditation time and each request will be assessed on a case by case basis."
6. Reason	This is to ensure that all Judges are making themselves available for WAE shoots. Attendance to shoots makes sure that they are up to date with the rules and procedures for events. Also that they are receiving "on the field" assessments from the Chair of Judges at WAE Events.  Dispensation will be given in certain cases, for example having a baby, caring for family members, illness or injury,

	completing further education like a degree, work pressures such as starting a new role so unable to take vacation etc.
