5. Text of the motion	Amend the second bullet point to read “To be eligible to participate at the seminar, the candidate must pass a “pre-seminar” test with an appropriate score as set by the Committee . This test will be sent as soon as the candidate’s member association sends the document for registration. After completing this test, the candidate and their member association will be informed whether the application of the candidate is accepted or not.
6. Reason	Previously it said “with a “+70%” score”. This change gives the Committee more flexibility to set the pass mark at a more suitable level as needed. Some other small amendments to correct the English and make it easier to read
