4. Concerns : <i>Please indicate Motion No.</i>	Motion N.: 6_____ Article N. 1.7.12_____ (Please note Motion Six refers to Article 1.7.13, but in new WAE C&R 2026 it is Motion 1.7.12)
5. Text of the amendment	<p>The Para Archery Committee will work with WA Para Committee and will work on matters of development of Para Archery.</p> <p>Add: An Athlete Representative will be elected as a member of the Para Committee. The total number of members of the Committee will not exceed 4.</p> <p>This Athlete Representative shall be elected as follows: the first Athlete Representative will be elected at the first European Para Archery Championships held after the 2026 Congress; thereafter, the election will take place at the first European Para Archery Championships held after the Paralympic Games.</p> <p>The Athlete Representative shall serve a term of four (4) years (Only the first one will serve a term of two (2) years).</p>

	<p>The candidate must be an active competitive athlete who has competed at international level in the 2 years before the election.</p>
<p>6. Reason</p>	<p>The Para Archery Committee proposes the potential addition of an Athlete Representative as a member of the Commission.</p> <p>This would ensure that the athletes' perspectives are directly included in decision-making processes, particularly regarding rules, competitions, and development programs.</p> <p>We have added this change to the motion to ensure that a Para Athlete can be elected to the Committee, and the Para Committee will consist of 4 members maximum in total, one of which must be the Athlete Representative, regardless of whether Motion 3 – to increase the numbers of committee members to 4, is passed.</p>
