WELCOME

Dear athletes,

UKS Luks Smolec club feels honored to be entrusted with hosting of the European Cup hoping we will be able to provide the participants with good condition for their sports performance and while helping internationally with promoting of this event.

UKS Luks Smolec club has much experience with run & ski archery events. We have hosted the historical 1. Polish Run Archery Tournament (2024, Kąty Wrocławskie), 2 rounds of Three Nations' Cup (2025, Smolec & Kąty Wrocławskie) and final round of Polish Run Archery Sprint Cup (2025, Smolec). This year, we have also actively participated in organizing international events promoting run archery and enabling athletes to compete throughout the spring & summer season and prepare well for the European Cup, which concludes the season. Together with our friends from Germany, the Czech Republic, Hungary, and Estonia, we are organizing a series of run archery competitions in long runs (4K and relays – Three Nations' Cup) and sprints (as well as a mixed team sprint – Run Archery Sprint Cup). We kicked off the season with the first ski archery competition in our region (and only the second in Poland)!

The Lower Silesia region, hosting this year's Run Archery European Cup, has a long and complex history, shaped by the combined efforts of Poles, Czechs, Germans, Austrians, and Jews. As custodians of this centuries-old heritage, we encourage all athletes to visit us for more than just the three days of competition, to explore Wrocław and the region's historical sites.

LOC hopes that at least a dozen national teams, as well as many guests from other continents, will come to Kąty Wrocławskie this year, giving the competition a global dimension. LOC is also convinced that we all will have a great time with the 2026 edition of the 3. Kąty Wrocławskie Run Archery Open and WAE Run Archery European Cup! See you soon!
