Re.: Report of the Justice and Ethics Liaison 2024/2025/2026 as per  
#1.7.13 of the World Archery Europe Constitution to the Congress,  
May 17th, 2026

Dear members of Congress,

The duties of my works as this liaison refer to the Rules of World Archery as put down in Article 1.14. „The Board of Justice and Ethics“.  
The „Procedures of the Board of Justice and Ethics“ are in Appendix 3 of the Rules of World Archery.

According to these rules I am glad to confirm that there were no referrals or cases, no complaints were submitted.  
Therefore was no communication on any points to the World Archery Secretary General.

If you have any questions concerning issues of Justice and Ethics I will be glad to help you.
