

## **MEDICAL LIAISON REPORT**

WAE'S MEDICAL LIAISON HAS ALWAYS BEEN AVAILABLE AND ATTENTIVE TO ALL THE ADVICE AND INFORMATION RECEIVED. LATELY I HAVE RECEIVED AN INTERESTING ANALYSIS FROM DR. KARK CUTAJAR, MD, Mac (Reproductive Health) EFOG, PgDip (Ultrasound Obstetrics & Gynecology) TITLED "ELIGIBILITY RULES FOR TRANSGENDER ATHLETES".

I MUST THANK MR ARNOUD STRIJBIS FOR SENDING THE EMAIL TO ME AND ANYONE WHO IS INTERESTED IN THE TOPIC CAN REQUEST A COPY OF THE WRITING. IN THESE PERIODS, MONITORING IN THE MATTER OF DOPING IS INCREASINGLY IMPORTANT, ALSO WHILE WAITING FOR THE NEXT 2024 OLYMPIC GAMES TO BE HELD IN PARIS.

ALL ANTI-DOPING AND ALCOHOL TESTS HAVE BEEN CARRIED OUT THROUGH THE GENERAL SECRETARIAT OF THE WAE DURING ALL THE COMPETITIONS SCHEDULED IN THE EUROPEAN CALENDAR.

ALL THE ATHLETES CALLED TO THE VARIOUS CHECKS RESPONDED CORRECTLY AND AVAILABLE, SHOWING THEIR INCREASINGLY KNOWLEDGE OF THE PROCESS AND THE REGULATIONS REGARDING DOPING, FACILITATING THE WORK OF THOSE WHO CARRIED OUT THE CHECKS.

MORE THAN DUE THANKS GOES TO ALESSANDRA COLASANTE FOR HER COMMITMENT AND AVAILABILITY DEMONSTRATED IN FOLLOWING ALL PRACTICES REQUIRED FOR AN EXCELLENT RESULT.
